Wednesday 16 January 2019

Dear Resident,

Our school, Hambledon Primary School is currently looking at the travel trends and travel issues for those who visit our school site. We would be very interested to hear if you have been affected by the journeys made to and from our school.

We are aware that traffic congestion in the vicinity of the school during the school drop off and pick up times can be difficult. One proposed solution is to ask if any of our school neighbours and parents that live in the surrounding roads would be prepared to allow a family that has to drive to school to park on their drive. This would only be for up to 30 minutes in the morning and afternoon of a school day and will help to remove cars from the main roads.

As neighbours to the school and members of our local community, we would appreciate your feedback in relation to the current situation and possible solutions for the way forward. We should therefore, be grateful if you could complete the short survey below and return it to Hambledon Primary School by **Wednesday 30 January 2019**. If there are any other comments you would like to make, please feel free to use the reverse of this letter.

Yours sincerely

Mr Paul Davies  
Headteacher
