Dear organisations,

We would like to invite you to two virtual sessions we have planned at the beginning of February. If you are interested in finding out more about the grants available through Winchester City Council at this time, or you have a question around one of our funding streams, please do attend one or both of the below sessions.

1. **Grants Information Session – Tuesday 2nd February, 4-5pm.** Join us for an overview of grants currently available from Winchester City Council for both not for profit and business organisations. We will summarise the schemes available and offer advice on how to make an application.
