M27 Junctions 4 to 11 – Update

Update

A number of closures are required over the coming weeks as gantry installations continue to take place. We are also undertaking a programme of screen fittings within each gantry, while also installing other technology assets along the entirety of the scheme.

The above activity requires the following overnight closures:

All diversions will be clearly signposted, and details of the diversion routes are on the following page.

As is always the case, all dates are subject to change owing to operational requirements or adverse weather conditions. We therefore advise road users to plan their journeys in advance and keep up to date by visiting our Traffic England website: www.trafficengland.com or by following our Twitter feed: @HighwaysSEAST.
