## Hambledon PC Co-opts New Member

Hambledon PC members would like to offer a very warm welcome to Caroline Hubbard who was voted onto the PC as a co-opted member at the meeting held on the 7th of October. Caroline replaces Sarah Wigley, a long-standing councillor who stepped down in July.

## Logo Competition Launched!

It has been brought to the attention of councillors that the PC's logo (below) is looking tired and in need of updating. With a view to getting the community involved, the PC has decided to launch a competition to design a new logo.

The competition is open to Hambledon residents of all ages, and entries may be submitted via any format (i.e. hard copy, soft copy; any medium). The PC is especially interested in a design that encompasses different aspects of the village and its various sections of the community. Entries will be considered at the February 2020 PC meeting and it is hoped that a winner will be selected at this time. The winning logo will be adopted by the PC. The deadline for entries is 31 Jan 2020, and you may submit your designs to the Clerk via [clerk@hambledon-pc.gov.uk](mailto:clerk@hambledon-pc.gov.uk), or in hard-copy FAO Clerk, Hambledon PC, 17 Stewarts Green, Hambledon, Hants, PO7 4SU. Please contact the Clerk if you have any queries. The PC looks forward to seeing the creative side of Hambledon!

## Wanted: Organiser for Annual Village Torchlight Procession

## News from Hampshire County Council

**Cllr Roger Huxstep's report for Oct 2019** can be found on the PC website ('Council Meetings' page; associated document to Oct 2019). Topics covered are as follows:

- Vision for Hampshire 2050 has been approved. Available to view at [www.hants.gov.uk](http://www.hants.gov.uk)
- Balancing the budget - planning timetable has begun with proposals being considered by individual Cabinet members over coming weeks.
- Recycling - radical overhaul of waste management in Hampshire is required. One in five lorry loads of kerbside recycling fails to meet recycling standards & HCC can no longer afford to subsidise the associated costs. One proposal is to pass on full cost of rejecting loads of recycling to the district council. Full report available at <http://democracy.hants.gov.uk/ieListDocuments.aspx?CId=136&MId=5477>
- Library funding - HCC has warned of 'significant budget reductions', possibly resulting in closures, reduced opening hours, or relocations. Public consultation will take place first.
- Vaccinations - parents urged to ensure that their children are up to date with their pre-school booster vaccinations. Those at increased risk from flu, and carers of vulnerable people, are urged to book their free flu vaccine asap. More info at <https://www.nhs.uk/staywell>
