FACE COVERINGS - FROM THIS FRIDAY

From today new rules mean you need to remember a mask if you're going out to shop or use public transport. Here's what you need to know:

- Wear a face mask when going into shops, supermarkets, shopping centres and on public transport
- If you're buying food and drink to

take away from cafés and shops
you need one too, but...

- If you're dining in and enjoying food or drink that you've bought then you can remove your face covering to enjoy it
- A face covering can include a fabric covering, scarf or bandana, that covers the nose and mouth.

Haven't got one yet? You may want to make your own using these handy links [here](#) and [here](#).

HAVE YOUR SAY ON HEALTH SERVICES HERE

Health is on all our minds at the moment and residents across Hampshire have been sharing their views on a major modernisation of health services across the county. Winchester residents are among those people who now have a little longer to have your say, as Hampshire Together are adding extra online public engagement sessions before a new closing date of 5pm on Friday 7 August.

- A special session will focus on maternity care
- And another will be an open forum for people from across north and mid Hampshire to share their views on all aspects of the programme.

Information about all of the upcoming events can be found on the Hampshire Together: Modernising our Hospitals and Health Service's website [here](#).

DAYS OUT WITH THE KIDS

Looking for ways to keep the kids entertained this summer? More local attractions are now open including family favourite Marwell Zoo – a reminder that tickets are released four days in advance.

Why not combine a shopping trip with a visit to Winchester's fascinating City and Westgate Museums? You can pre-book your ticket to explore the ancient capital's fascinating history and this will allow you to visit as many times as you like for the next year.

There are more great ideas [here](#).
