COVID-19 Support

Dear customer,

Changes to the Coronavirus Job Retention Scheme from 1 August mean that employers will need to pay National Insurance (NI) and pension contributions for furloughed employees from their own resources as these will not be covered by future grants.

Make sure you have the latest information by joining the live webinar:

Extension to the Coronavirus Job Retention Scheme and flexible furloughing

We'll provide an overview of the scheme, including flexible furloughing, examples of how to work out the amount you can claim, and the changes due in September and October.

If you haven't been able to join our popular webinar about the **Coronavirus (COVID-19) Statutory Sick Pay Rebate Scheme**, more dates have now been added. Get the latest information on:

- who can claim
- who you can claim for
- how to make a claim
- what you may be entitled to, and more.

You can ask questions during all our live webinars using the on-screen text box.

Our webinars are constantly updated to provide the latest government guidance on changes as they develop.

Yours sincerely

Jim Harra
