

HOUSE OF COMMONS

LONDON SW1A 0AA

Capt Paul Quinn OBE
Chairman of the Hambledon Parish Council,
The Willows,
West Street,
Hambledon PO7 4SN

Dear Paul

I am writing to thank the Parish Council and all the volunteers in Hambledon for putting an amazing package together to support all the residents in the village. It has been a great example of how we can all work in a crisis for the common good. At the beginning of the crisis, I had many elderly and vulnerable people contacting me terrified that they were not able to get to the shops or get an online. We are not getting so many frantic calls now, which is a testament to how the community has pulled together to support each other.

I have been incredibly grateful that we have been able to get out for some exercise each day unlike other countries, as that has been boosted many people's mental health but I am looking forward to the time when we can all get back to normality. We will then be able to reflect on those that have not been so lucky to survive this virulent disease, it has been a tough time for those working on the front line. It will be good to have a chance to get together in person to thank everyone for their hard work and support over the last few months. I am looking forward to coming over to Hambledon to thank you in person.

In the meantime, thank you for all that you are doing and please keep safe and well.

*Yours, as ever,
Flick*

Member of Parliament for Meon Valley
