

DRAFT MINUTES

Hambledon Parish Council
03 June 2024; 7.30pm; Hambledon Village Hall

PRESENT:

Cllr Encke (Chair); Cllr Silcock; Cllr Hand; & Cllr Clarke.

In Attendance:

Mrs Joanna Tester (Clerk); Cllr Lee (WCC; left 7.49pm); Cllr White (WCC; left 7.49pm); and two members of the public.

Meeting started at 7.30pm

Item No.	Item	Discussion & Decision	Action
2343	Acknowledgements	Councillors paused and remembered in silence the contributions of Andrew Lewis and all other villagers who have passed away since the last meeting.	
2344	Apologies	Apologies received and accepted from Cllr Lamb. Apologies also received from Cllr Wallace (WCC & HCC).	
2345	Disclosable pecuniary interests	None.	
2346	Requests for dispensations	None received.	
2347	Public questions & comments	Standing orders suspended for maximum 10 mins. There were no questions from members of the public. • Cllr Encke & the Chair explained the co-option process.	
2348	Resume standing orders	Agreed.	

2349	District councillor's report & questions arising	Report received (Appendix A). Additional points raised as follows: • Importance of cyber security. • Cultural strategy. Where is the cultural centre in the Village? WCC looking to provide opportunities for local economies & visitors. List of businesses incl. freelancers to go to WCC Consultant? Ideally to have one person to act as a point of contact. Village e-mail to be sent out to give details & ask interested parties to contact the Clerk. The Hambledonian might also be a good source, but not all Village businesses advertise there. • Walking & Cycling strategy consultation. Ties in with BASS work. Cllr Silcock commented that has been advised to speak to Beech PC as they are further ahead with their project. • Comments from MoP at APM regarding traffic/pedestrian safety etc will be passed to Cllr Silcock.	Clerk
2350	County councillor's report & questions arising	Report received (Appendix B).	
2351	Mins of previous meetings (09/05/24)	Agreed as a true record.	
2352	Clerk's progress report	Parish Lengthsman Agreement schedule for 2024/25 confirmed as 04/07/24; 08/11/24; & 06/02/25. Flooding @ bottom of Bury Lodge Lane no update. Large puddle on pavement outside 13 West St/The Cross Tree HH reported back 'no maintenance work required'. No update. WCC work at The Gardens work has been completed. Awaiting road name sign from JK Engineering. Southern Water issues meeting took place 26/04/24. Draft report sent 01/05/24 to councillors and SW attendees. No response from SW. Chased 29/05/24. Flooding on road near Kings Rest reported to HH 13/10/23. Response 'could not locate defect'. Likely that they visited when there was no road flooding but didn't look into the cause of previous flooding. Suggest wait for next flooding, take photos & re-submit. Damaged bollards at East St pinch-point reported to HH online 06/11/23; enquiry reference number 21698987. Apparently, 'works completed' in Nov 2023. However, the solution appeared to be traffic cones which is not a satisfactory long-term solution. Recently, two of the three bollards have been replaced with narrow, non-reflective posts. Clerk has asked Cllr Wallace (HCC) to investigate whether these are supposed to be a permanent solution & if the third bollard is to be replaced. Two more bollards (on opposite pinch-point) have been run into and damaged. Reported online to HH. Cllr Wallace asked to chase. Cllr Silcock to ask Andy Sweeney @ HH. Remembrance Sunday TS Tenacity has confirmed not available. Jan Zawada has not been able to find a bugler so far.	Cllr Silcock

2352 cont.	Clerk's progress report cont.	D-Day 80 (06/06/24) Cllr Silcock provided an update as follows: • Gratitude to be expressed to the Hambledon History Group. • Presentation will form the basis of the information behind the QR code for the 'D-Day Village' on new village gate signs. Big Pipe outlet ditch e-mail sent to HH (via Cllr Lumby) re condition of ditch banks. Paula Edwards advised that Geotech team have already conducted site visit; report to be provided to PC idc. Chased 29/05/24. [UPDATE: no reports or photos available, other than historic photos already provided.] Reminder to go out on Village e-mail re taking in pipes. If any help required, contact James King (FAG). Blocked gullies opposite OFTR reported to HH online (build-up of debris inhibiting drainage of water spilling out of SW manhole covers). Response was that the issue was SW's and had been passed on. Useful/Emergency Info Leaflets WCC Small Grant fund awarded £150. Clerk to take forward when time allows. Cast metal bollard outside of George House JK Engineering has completed re-instatement work. Payment to be authorised 03/06/24. To be removed from report. SDNPA CIL Funding CiL application submitted. Brief details as follows: • £24k. • To cover 50% of stage 1 costs of BASS proposed measures (entrance gates; planting; HGV access signs; speed limit signs; & associated HCC traffic orders). • Outcome not expected until autumn 2024 earliest. Annual playground inspection report copy sent to JH Tree Services. Repairs etc to be investigated/carried out w/c 27/05/24.	Clerk
2353	Annual Governance Statement 2023/24	Resolved: that the PC has completed and approved the Annual Governance Statement for the financial year 2023/24. Dates for exercise of public rights 07/06/24 to 18/07/24.	
2354	Accounting Statements 2023/24	Resolved: that the PC has approved the Accounting Statements for the financial year 2023/24.	
2355	Annual Internal Audit Report 2023/24	Resolved: that the PC has received and approved the Annual Internal Audit Report for the financial year 2023/24, and acknowledges the recommendations made within that report: • Quarterly financial report/statements to be attached to corresponding meeting minutes. • Routine playground inspections - to return to weekly checks. [The Clerk advised that the PC's insurance co strongly recommends at least once-weekly checks, although this is not mandatory.]	Clerk
2356	Conflict of Interest with BDO LLP Form	Resolved: that the PC has approved the form confirming that it has no conflict of interest with BDO LLP (external auditor).	
2357	Bank account	Bank balance @ 01/06/24 - £75,190.76 (Cllrs will be provided with bank statement 172, 02 May 2024 to 01 Jun 2024 as soon as it becomes available.)	

2358	Payment of accounts	Mrs J C Tester Clerk salary (May 2024) £923.50 NEST Clerk pension (May 2024) £75.14 Hambledon Village Hall Hall hire (May 2024) £155.00 Biffa Waste Services Ltd Hard plastics recycling bin @ VH May 2024 £49.82 Do the Numbers Ltd Internal audit for y/e 31/03/24 £270.00 Dr Jo Walker Reimbursement for plants for Green Man beds £179.98 JH Tree Services Hampshire Ltd Village maintenance May 2024 £375.00 Alfie Goodwin-Hudson Tennis Coaching (May 2024) £80.00 Moritz Flohr Tennis Coaching (May 2024) £60.00 <u>The following payments are in addition to those noted on the agenda:</u> K Knight Engineering Refitting of bollard at George House £200.00 Murray Mahon Greening expenses (recycling event at the VH) £27.08 Nigel Foster Greening expenses (heat pump event at The Vine) £15.60	Clerk
2359	Planning applications	None received.	
2360	Planning apps received after 28/05/24	None received.	
2361	Planning decisions	Noted.	
2362	BASS WG	Report received (appendix C). Cllr Silcock commented as follows: • Now progressing follow-on work: consulting with HH; getting costs for gates etc. • Cllr Clarke to assist with seeking quotes: • 1.8m gate • Plastic vs wood vs metal • White and rustic	Cllr Clarke/ Cllr Silcock
2363	Auto Speedwatch Device	Resolved: that the PC does not approve the purchase of an Auto Speedwatch device, as it will not meet the current requirements: it is not easily moveable between sites (data would need to be cleansed each time which entails a cost). [There are alternatives, but these come at great expense. May be better to pay for Ampfield to come back after each stage so that there is comparable data.] Cllr Silcock to speak to Beech PC. Clerk to e-mail Speedwatch team to ask for data as this may be able to shed light on the effect of their work to date.	Cllr Silcock Clerk
2364	Tennis WG	No report received this month. Clerk advised that no volunteers have yet come forward to take on the running of the court.	
2365	FAG WG	No report received.	

2366	Play & Playgrounds Re-vamp WG	Stewarts Green play equipment - the Clerk reported that the contractor hoped to start work w/c 15/07/24 and should take a week, with the post-installation inspection being booked for the Friday to allow opening of the playground for the weekend (first weekend of the school holidays).	
2367	Hambledon Greening WG	No report received.	
2368	Annual Meeting of the Parish	Resolved: that the PC has reviewed the APM (16/05/24) and notes the following: • Format worked well apart from start time (some villagers were confused; to be made clearer next year); • Hambledon Vineyard presence was greatly appreciated by PC and the Village; and • BASS survey went well; results have been analysed; and first stage of improvements (ie gates) are being taken forward.	Clerk
2369	Hambledon Walks Booklet	Resolved: that the PC has discussed options for publishing online/in print information on Hambledon walks with or without coordination with Denmead Village Association, and will take the following actions: • Research to be done on feasibility of producing a small/ simple walks booklet (as was previously done by the PC & sold in e.g. The Peoples Market & OFTR). • Clerk/Chair to contact Walking Group (Derek Whapshott) to ask if they would be happy to review the info already on the PC website. • Cllr Silcock to canvas walkers for opinion on whether a hard copy would be useful/popular.	Clerk/ Cllr Encke Cllr Silcock
2370	Reports & Issues	• AQUIND - Letter received from Secretary of State with request for comments from the Applicant and the Ministry of Defence during the application's re-determination. Deadline for responses 30/05/24. https://infrastructure.planninginspectorate.gov.uk/document/EN020022-005224 An update has since been received from Stephen Cornwell (WCC): MoD asked the SoS for an extension to the 30/05/24 deadline. SoS responded 22/05/24 to confirm deadline for responses from the MoD & Applicant on the procedural point to 07/06/24. • Correspondence received from Old Brewery (Hambledon) Ltd re the potential for putting a traffic mirror opposite the junction of West St with The Maltings. Cllr Clarke to find link to HH guidance (which would not be supportive of a traffic mirror in the given circumstances) & Clerk to e-mail this to the Old Brewery. Councillors noted that there are many junctions in the Village where exiting is difficult due to poor visibility. Cllr Silcock to speak to Tom Wood & Peter Caizley re West St/The Maltings junction issues.	Cllr Clarke/ Clerk Cllr Silcock
2371	Date/time of next meeting	• Mon 1st July 2024 at Hambledon VH; 7.30pm.	
2372	Confidential matters	No members of the public were in attendance and no confidential matters were discussed.

Cllr Danny Lee (dlee@winchester.gov.uk)

Cllr Suzanne White (SWhite3@winchester.gov.uk)

NEW TOPICS

General Election

We are now in a pre-election period of sensitivity. Discretion required about making new announcements or decisions that could influence voters.

Cyber Security Awareness Reminder

Recent cyber-attacks targeting UK democracy require all of us to be aware of, and alert to cybersecurity threats. The National Cyber Security Centre (NCSC) has issued important advice to remind individuals and organisations of the threats and to stay alert. Be particularly vigilant about:

- Email Phishing attacks. (Read NCSC's guidance about how to spot an attack [Phishing: Spot and report scam emails, texts, websites and... - NCSC.GOV.UK](#))
- Deep fakes and Social Engineering attacks (make sure your accounts / devices are securely and adequately protected – more guidance can be found on NCSC's website [Guidance for high-risk individuals on protecting your... - NCSC.GOV.UK](#))
- [Cyber security for high-risk individuals \(ncsc.gov.uk\)](#)
- [Defending democracy - NCSC.GOV.UK](#)

Winchester City - Creativity & culture across Winchester district. Can you help?

There currently isn't a unified cultural leadership voice across the District, and the Council is looking at how to address this so that residents and visitors can make the most of opportunities across the District.

The Council is trying to find out if there are any local creative 'champions' or cultural ambassadors in Central Meon Valley area, and if there are any creative meetups or organisations. A particular focus is from a creative economy perspective—individuals who are keen to develop their practice or business - and importantly how the Council can work together to make those businesses more sustainable. The Council's Cultural Strategy work is also exploring the talent pipeline, opportunities for young people, career pathways into creative industries, opportunities for creative freelancers, and the overall creative economy. The emerging draft Cultural Strategy is available on the [Council web site](#). Grateful if you can respond with any helpful information to Wendy Wyatt : wendy@worthwhile.works with copy to: dlee@winchester.gov.uk [There is also a separate consultation](#) to understand what residents in Winchester think about creativity and culture across the district. What do those words mean to you, what activities do you take part in and how do you enjoy spending your time? Closes 31 December 2024

M3 Junction 9

The Secretary of State has granted permission for the M3 Junction 9 application. The final report can be found here - [TR010055-001117-240516 Decision Letter M3 Junction 9 DCO.pdf \(planninginspectorate.gov.uk\)](#) The decision is subject to a number of 'Requirements' (these are called Conditions in the usual planning process). National Highways will now be putting these details together for submission. Winchester City Council, Hampshire County Council and the South Downs National Park Authority are consultees on a number of requirements and will be reviewing all of the details.

Open Consultations

- **Relevant to all Parishes** (as mentioned above)
 - [Creativity & culture across Winchester district](#). Closes 31 December 2024.
- **Not relevant to all Parishes.** Opened by the Council's Neighbourhood Services & Community Safety Team:

- [Grounds Maintenance Survey](#). Questions about services including any communal gardens issues so WCC can monitor the service. Closes 28 February 2025
- [Cleaning Services Survey](#). Questions about services include issues about the cleaning service in communal areas. Closes 28 February 2025

ON-GOING TOPICS

Winchester District (not City) - Local Cycling and Walking Infrastructure Plan (LCWIP)

The Winchester District LCWIP public engagement started Monday 13th May at midday, for a period of 8 weeks until the 7th July 2024. During the 8-week engagement period, residents will be able to view the draft document using an online consultation platform – ViewPoint. This will provide Hampshire and Winchester Council staff with feedback on the cycle routes, core walking zones and the LCWIP draft document. If digital access is not easy for residents, paper copies of the consultation will be available in the Winchester City Council offices. Public feedback will help to refine the document and the prioritisation process.

Flooding - Southern Water (SW)

At an April 2024 meeting between Southern Water and your Councillors we signposted concerns about local Parish ground and surface water flooding issues across the Central Meon Valley. We will keep Parishes posted about any Southern Water intended actions to address the issues.

Meon Valley Transport Forum

The March 2024 forum identified common issues and other concerns prompting opportunities for collaborative action which have been widely shared. A way forward to address/mitigate (where possible) the issues identified is now being raised with appropriate agencies and HCC (Highways).

Phase out of Landline

Confirmation of what steps the Council is taking to mitigate any risks in local emergency preparedness plans plus wider implications for residents where poor or no mobile network coverage is available is still being pursued.

Grants

- **Free Low Carbon Assessments for Winchester District Businesses** – Winchester Council is working with GEP Environmental to offer local tourism and creative businesses a free carbon footprint assessment and bespoke carbon reduction action plan to identify interventions to reduce energy, water, waste, and transport emissions, whilst highlighting funding opportunities. For full information go to: [FREE low carbon assessments for tourism and creative businesses - Visit Winchester](#)

Going Green Faster & Help with Cost of Living

- **Homes** – Residents can apply for grants of up to £25,000 for energy efficiency improvements to their property under the [Warmer Homes](#) program. Homes who are likely to be eligible to receive support:
 - are low income, are off the gas grid and have an Energy Performance Certificate (EPC) between D and G
- **Energy bills and protecting the environment**
 - Paying bills, Keeping homes warm and Energy Efficiency Advice - see [Energy - Winchester City Council](#)
 - More information about keeping warm and well at home - from 'The Hampshire Environment Centre' - enquiries@environmentcentre.com or by phone 0800 804 8601
- **National** – A new website has been launched that provides information on Government support that is available: [Help for Households - Get government cost of living support](#) – see also (www.gov.uk)
- **Local** – In addition, Winchester Council has launched a website providing information on local resources: [Cost of living support and information - Winchester City Council](#)
- **The Great British Insulation Scheme**
 - Government scheme to enable households to add insulation to their homes to make them easier to heat for less. The scheme is aimed at two main groups:
 - Those living in homes with an Energy Performance Certificate (EPC) rating D-G and within council tax bands A-D
 - Householders receiving qualifying benefits and living in homes with an EPC rating of D or below.

- More information: [Great British Insulation Scheme \(ECO+\)? - Energy Saving Trust](#)
- **Hampshire Forest Partnership (HFP) - create a local forest plan for your parish**
 - **HFP** - set up so communities can get involved in caring for woodlands and planting more trees. Also setting up a focus group of partners to collaborate with HFP to deliver projects.
 - If you are interested in joining our partnership - email treeplanting@hants.gov.uk
- **Shoots Along the Routes - Trees to follow roads and create green corridors.** Free trees to landowners and land managers to create over 630 kilometres of new green networks across the county.
 - For further information contact Kate Morgans, Principal Landscape Architect, via email kmorgans@winchester.gov.uk or phone 01962 848 069.

Business

- **Business Support** – There are currently LOTS of funding opportunities available to help businesses with the transition to net zero. See: [Support for sustainable businesses - Winchester City Council](#)
- **Businesses or sole traders** in Winchester district can keep up to date with topics from funding, events, and information. Sign-up at: [Winchester Business Bulletin - Winchester City Council](#)
- **Networking** - [Business Networking - Winchester City Council](#)

Groups

- **Community Support for Ukraine (information and help)** – For latest information see: [Winchester City Council pledges support for Ukraine - Winchester City Council](#)
- **Climate Groups** – There's a range of sustainable groups and organisations within the Winchester district at: [Climate groups - Winchester City Council](#)

APPENDIX B

Hampshire County Councillor Report June 2024 Cllr Malcolm Wallace (malcolm.wallace@hants.gov.uk)

All Change at the County Council – New Leader and Chairman

At the Council AGM on 23-May, Councillor Nick Adams-King was elected as the new County Council Leader (following Cllr Rob Humby's decision to step down as leader after two years in the post) and Councillor Keith Mans was elected as Chairman.

The new Cabinet Members are:

- Councillor Nick Adams-King – Leader and Executive Member for Hampshire 2050 and Corporate Services
- Councillor Jan Warwick – Deputy Leader and Executive Member for Younger Adults and Health and Wellbeing
- Councillor Liz Fairhurst – Executive Lead Member for Adult Social Care and Public Health
- Councillor Zoe Huggins – Executive Member for Hampshire 2050 (Climate Change, Culture and Partnerships) and HR, Communications and Performance
- Councillor Roz Chadd – Executive Lead Member for Children's Services
- Councillor Steve Forster – Executive Member for Education
- Councillor Kirsty North – Executive Lead Member for Universal Services
- Councillor Lulu Bowerman – Executive Member for Highways and Waste

[New Chairman and Leader for Hampshire County Council | Hampshire County Council](#)

Decisions on Future Services Delayed

Following the announcement that a General Election will be held on 4 July 2024, decisions on the Future Services Consultation (tip closures, road investment, etc.) have been postponed until the autumn.

A public consultation was held between January and March this year, which invited people's views on 13 proposals to reduce and change some local services to help the County Council deliver savings towards the £132 million recurring budget gap faced from April 2025. Final decisions on the proposals were due to be made by the County Council's Cabinet this summer. However, with a General Election also now due this summer, the County Council has concluded that any decisions and communications activity in relation to the outcome of the Future Services Consultation should be avoided under pre-election rules. The Select Committee

meetings that were due to take place next month have therefore been rescheduled to September and final decisions are scheduled to be taken by the County Council's Cabinet in October.

[Future Services – changes to planned decision-making dates | Hampshire County Council](#)

Have Your Say on Local Cycling and Walking Plans

The Winchester District Local Cycling and Walking Infrastructure Plan (LCWIP) sets out the ambition for investment in walking and cycling in the Winchester District over the next 5-10 years. The draft is out for consultation until 14 July. Please give your feedback by completing two short surveys and adding your comments to the map at: [Winchester District Focus LCWIP](#)

Note: **This is important** as the finalised LCWIP will be used to identify priorities for investment in cycling and walking in the future. The draft LCWIP is [here](#), and includes sections on:

- Pages 59-67 – Whiteley Core Walking Zone
- Pages 87-96 – Cycle Route from Hockley to Wickham (via BW, Waltham Chase etc.)
- Pages 97-101 – Cycle Route from Botley to Whiteley

So, please get your comments in!

HCC Commemorative D-Day Events

Special tribute events to mark the 80th anniversary of D-Day are taking place at two of our Country Parks – home to locations that played a key role in D-Day itself.

They include a beacon lighting at Lepe Country Park, marking the site where troops embarked on boats headed to the Normandy Beaches on 6 June 1944. On 3 June at 11am there will be Royal Dragoons Memorial event. And on 8 June, there's a Family Activity Day focusing on the heritage of Lepe Country Park and its role in the D-Day landings, followed by an Annual Memorial Service on 9 June, 11am, at the Anchor Memorial on the cliff top.

Royal Victoria Country Park in Netley – the site which was home to the Royal Victoria Hospital treating the Army and Navy's wounded (British and American troops) - is hosting 'Reminiscence in the Park' on 15 and 16 June, including a new exhibition in the Chapel telling the story of the American troops at Netley and a portrait exhibition by artist Nel Brooks of World War II veterans.

[Lepe Country Park & Royal Victoria Country Park to host commemorative D-Day events at historic locations | Hampshire County Council](#)

Community Climate Change Action

We all need to play our part to help tackle climate change – and what you can do in your local community can make a big difference.

The County Council is backing The Greening Campaign which provides expert advice to help communities undertake their own green activities, and Lottery funded support to those tackling climate change. You can find out more at their free, online information event being held at 7pm on Tuesday 11 June 2024.

[What can I do? | Hampshire County Council](#)
[Greening Campaign Online Information Event for Hampshire and IOW communities](#)

Helping new Parents and their Babies to flourish at Hampshire Libraries

Hampshire parents who have recently welcomed a baby into their lives are invited to meet and connect with other new parents and carers at dedicated drop-in sessions in local libraries.

Sessions are held from 1pm to 2pm every Friday at Bishops Waltham library, and from 1.30pm to 2.30pm every Thursday at Fareham library.

[Helping new parents and their babies to flourish at Hampshire libraries | Hampshire County Council](#)

Blood Pressure Monitors Now Available from Hampshire Libraries

In a move to help local people to take charge of their own health, the County Council is making devices available for free at all its libraries.

If left untreated, high blood (hypertension) can lead to strokes, heart attacks, coronary heart disease and heart failure but, worryingly, a third of people in the UK who are affected, are unaware. Each monitor is borrowed on a 'first come-first served' basis. It comes in a box, with a leaflet containing easy-to-follow instructions on how to use the device and understand the results, as well as what to do if you are concerned about the readings.

[Blood pressure monitors now available from Hampshire libraries | Hampshire County Council](#)

APPENDIX C

BASS WG REPORT JUNE 2024

You attended the APM so are aware of the general feeling among Villagers who were there about BASS WG proposals. I sent a summary following the meeting - attached for ease of reference. [SEE BELOW.]

I need to get the WG together with Andy Sweeney of HCC/HH to start the process of planning and phasing the work, as well as costing options more robustly. It is proposed we start with GATES so quotes can now be obtained from local suppliers for WHITE and RUSTIC gates, plus the cost of any licences from HCC.

Speed Devices

I have done a bit more research on Speed Measurement devices, including discussions with **Auto SpeedWatch** (ASW) and Swanmore PC (in use at Swanmore) and with **Roadside Technologies**. I have also contacted Beech PC in E Hants on the recommendation of ASW because they are doing similar work to us but are a tad more advanced.

In essence, the Auto SpeedWatch costs <£700 to buy BUT it is designed to remain in one location. It can be moved but the data gathered at that point needs to be cleansed first. I understand a week's worth of data would cost £600 to cleanse... In addition, the device is daytime only.

Road Technologies offer 24/7 capabilities, hire or purchase, but are considerably more costly up front.

Wireless Data Recorder:

Hire:

1-week minimum hire period - £250.00 per week.

Delivery and Install – £295.00

Collection – £295.00

Purchase:

Base unit - £2,795.00

***Optional Lithium Battery pack - £420.00*

***Optional Solar panel - £275.00*

***Optional 4G router - £495.00*

Delivery and Training - £395.00

All quoted prices are plus VAT.

SDB- 18:

Purchase price (Discuss with Andy or Chris)

1 off unit - £5,750.00 per unit.

Hire price (per unit) (Discuss with Andy or Chris)

Up to 12 weeks - £195.00 per unit per week.

13 to 26 weeks - £175.00 per unit per week.

27+ weeks - £125.00 per unit per week.

Delivery to site - £125 up to 4 units

Collection from site - £125 up to 4 units.

All quoted prices are plus VAT.

Discussions with both companies clearly show the WG needs to do more in-depth work on what we are trying to achieve:

1. verification of effectiveness of calming measures, AND/OR
2. 24/7 electronic support to the Hambledon Community Speedwatch team so as to target persistent offenders

If simply 1, then we could get Ampfield Traffic back (they cost £1200 for 10 sites over 10 weeks). If 2, we need to think hard about whether we are pursuing tracking and enforcement, and the ongoing cost.

Summary of Results from BASS Consultation at APM May 2024

Speeds					
Very Keen/Keen on 40mph @ Park		33	4	NOT keen on 40mph @ Park
