Dear All,

This work is specific to Droxford, but I think it is useful for the Division to know it is happening.

Best wishes,

Roger

Subject: Operation Resilience - W20073 Sheep Pond Lane, Droxford - Carriageway Repairs - Works Notification

Dear Councillor Huxstep,

As part of the annual programme of works being undertaken by Operation Resilience, we will shortly be undertaking carriageway surface repairs (water retexturing) in localised areas along Sheep Pond Lane, Droxford, between A32 and Shepherds Farm Lane.

The works are currently programmed to start on Monday 22nd February 2021 and are expected to last for up to 2 days, during which time the road will be closed to through vehicular traffic from approximately 07:30 to 18:00hrs. The road will be open outside of these hours. For more information - <https://one.network/?tm=GB119022290>

During the closures, access for residents and businesses will be maintained when possible and safe to do so. Pedestrian access to properties will not be affected, and emergency vehicles will have access at all times.

As we are now in the winter months, inclement weather becomes more of an issue and works programmes are more susceptible to change. Whilst there is an allowance within the time periods shown above for delays, there may be times when we have to postpone works at very short notice; based on the latest weather forecasts, this can occur just prior to works commencing. We will always look to provide up to date information wherever we can, but sometimes these last minute decisions can be difficult to relay to the travelling public in a timely manner. When we can, any significant changes to the scheduled dates will

manner. When we can, any significant changes to the scheduled dates will be made clear on the yellow sign boards located at the works limits.

Due to the current COVID-19 situation, works will be carried out ensuring safe working practices, and social distancing between site operatives and members of the public are maintained at all times. The appropriate traffic management will be in place to prevent any interaction.

Information signs advising road users of the works will be erected before the start of works. The attached letter will be sent to local residents and businesses, and an email will be sent to Winchester City Council Droxford Parish Council to advise them accordingly.

Should you have any queries or require further information please do not hesitate to contact me.

Kind regards,

Richard
