As we continue to make welcomed steps towards recovery from the recent months with the re-opening of our district's leisure centres and children returning to school, we must now make adjustments when meeting socially. The Government has announced that from Monday 14 September, when meeting with friends and family you do not live with you must not meet in a group of more than six, indoors and outdoors. We have been advised that if you do, it will be against the law and the police will have the power to issue fines.

We know how important it is to see our loved ones and friends at the moment, but please be smart by sticking to the rule of

six, keeping your distance, washing your hands regularly and wearing a face covering whenever you're asked to. We must all play our part and continue to look after the wellbeing of others.

You can get further guidance on the new rules by visiting [the Government's website](#). Thank you to everyone who is continuing to follow the guidance – we are all in this together.

## JOIN OUR FIRST SUSTAINABILITY CONFERENCE... VIRTUALLY!

Winchester Green Week (27 September – 4 October 2020) is back by popular demand and will be highlighting how we're moving towards sustainable ways of living in the district. To mark the week, we're hosting our first ever Sustainability Conference! The climate crisis is the biggest challenge all of us face in the coming years and decades and we need to play our part in tackling the crisis. To hear about all the things we've been busy doing since the council declared a climate emergency, you can join our virtual conference on **Thursday 1** and **Friday 2 October** from 10am.

Across the two days, you'll be able to drop into a variety of sessions where you can listen to experts in the field including the Head of Sustainability at Marwell Zoo, Dr Duncan East and Professor Bakr Bahaj from University of Southampton on a variety of topics. You'll also hear from our Councillors and have chance to ask us your pressing questions, all from the comfort of your sofa (or desk)! For more information and to register for free, click [here](#).

## FOCUS ON CLIMATE CHANGE

Your council's efforts to tackle the climate emergency and drive down emissions have been given a boost with a new Cabinet Member appointment. Cllr Lynda Murphy of St Michael Ward has now been re-appointed Cabinet Member for Climate Emergency, enabling Cllr

Paula Ferguson to dedicate her time to helping the district's economic recovery in her new role of Cabinet Member for Local Economy.

Cllr Murphy was a member of Cabinet in 2019, but took a break due to illness. She helped the council in declaring a climate emergency and also introduced a number of green schemes including Car Free Day.

## DON'T FORGET

Winchester Street Market are testing a new location in The Broadway on Sundays. The trial location hopes to set in motion plans to make the Central Winchester Regeneration more vibrant, and organisers are also looking to make social distancing easier due to the increased space.

The primary location will be The Broadway with a limited number of stalls also positioned on the Lower High Street and Middle Brook Street. Find out more [here](#).

## SHOW YOUR STREET SOME LOVE

## GET YOUR TRAINERS ON!

The Great British September Clean (11 – 27 September) is here after being postponed earlier this year! We're supporting the nation-wide campaign by asking you to pledge to do your own local litter pick. Whether it's while you walk the dog, on your way to school or on a weekend stroll with the family, we can all play our part in keeping our district tidy for everyone to enjoy. You can pledge your support [here](#).

Our leisure centres have reopened! You can enjoy using the gym, swimming, classes and sports at River Park & Meadowside leisure centres.

Remember to book in advance, online or using the Everyone Active app, and to be in your sports kit on arrival. Find out more [here](#).
