Dear All,

There were difficulties being experienced in activating the links in the document I circulated last week. Please find the version attached more cooperative.

For your information, please find attached an updated briefing on the vaccination programme, as of 4 February 2021.

You may find some of the links in the document are blocked by Microsoft security settings. When you use 'ctrl and click' you may get a message that gives you the option to allow them to work by clicking 'yes', see screenshot:
