

## Police Emergency

Only call 999 if:

- A crime is happening now (or just happened)
- You have immediate concerns for someone's safety
- You see a traffic collision involving injury or danger to other road users.
- You see something suspicious that needs immediate attention

## Not an Emergency

Call 101 to report:

- crimes that are not in progress
- Suspicious people or vehicles
- Non urgent information
- Criminal damage / theft / theft from a vehicle (this can also be reported on-line at [www.hampshire.police.uk](http://www.hampshire.police.uk) )

For general information and advice go to [www.hampshire.police.uk](http://www.hampshire.police.uk)

Use **Crimestoppers** if you don't want to talk to the police. You can report any crime or suspicion without giving your name: 0800 555 111

-  
This is not an emergency service – for a crime in progress - call 999

## Apply for CIL

Organisations can now bid for a share of funds to support community infrastructure projects across the Winchester district.

Winchester City Council is inviting applications of between £10,000 and £200,000 to support physical improvements to local areas such as playgrounds, green spaces, and sports facilities.

A £1million fund has been established by the council to help community projects, with grants for 12 schemes approved in 2019 through the first round of bidding. The second round of the initiative is now open to applications. The money comes from the council's Community Infrastructure Levy using income raised from new developments to pay for infrastructure which will benefit residents.

If your community organisation would like to apply for CIL funds, you'll find all the information you need, as well as the application form here.

The Council is making £1million of CIL available from 2019 -2022. The funds are aimed at community lead schemes with allocations between £10k and £200k. CIL could be used to fund all of a project or be combined with funding available from other sources. Requests for funding will be received each year between January – March.

### Assessment criteria

Your proposal should meet at least one of the following criteria:

- Support the delivery of development/infrastructure in the Local Plan and other Council strategies.
- Contribute to the delivery of key development sites in the District.
- Be included in the R 123 list/Infrastructure Delivery Plan.
- Contribute towards the delivery of infrastructure by a provider (including the County Council) that would not otherwise happen.
- Leverage other funds that would not otherwise be available, e.g. needed to match or draw grant funding.
- Offers wider as well as local benefits.
- Address a specific impact of new development beyond that which has been secured through a s106 Obligation or s278 (Highways) Agreement.

### Submitting bids

Please use the application form to the right of this screen.

You'll need to supply:

- An application form with supporting information.
- Information on each project including details of costs/funding, plans of proposed works, formal approvals where required, and confirmation of landowners agreement to any proposed scheme, where applicable.

### Bid timetable

- **Bids need to be submitted between January and March each year.**
- In April, requests received will be considered by a panel of city council officers, the Portfolio Holder for Built Environment and a representative from Hampshire County

Council. Projects will be assessed against the criteria referred to above and recommendations made as to which projects could be supported.

- City council officers will prepare a draft rolling 3 year programme of projects to be funded including those which have been submitted as part of this scheme and recommended for funding by the Panel (ultimately the decision to fund a proposed scheme will rest with Cabinet).
- Cabinet approval will take place in July for the 3 year funding programme including consideration of funding for the recommended bids for community led projects to be delivered in year one.

## Report a Missed Bin

If your Bin has been missed please report it on line. Just go onto the main [www.winchester.gov.uk](http://www.winchester.gov.uk) web page and there is an icon you can click on. If you report it by 12 noon the next day then they will be able to pick it up by the end of that day. Unfortunately, if you aren't able to contact WCC by 12 noon on the following day then your bin will not be collected until the next scheduled date on your calendar. Please make sure that your recycling bin only contains the items that can be recycled, otherwise your bin may be rejected and not collected.

In your green recycling bin you can recycle only

- Paper
- Cardboard
- Plastic bottles
- Tins & Cans
- Aerosols

***Remember the golden rule.... all recycling placed in the recycling bin needs to be clean, dry and loose!***
