1. Apologies for absence and declarations of interest

There were no declarations of interest.

There were no members of the Public or Press present.

2. Planning

The following Planning Application was discussed and considered:-

i) **SDNP/15/04969/APNB** – Lower Chidden Farm, Chidden, Hambleton, Waterlooville, Hampshire PO7 4TD – **Proposed portal framed agricultural building for storage of grain, fertilizer, seeds and machinery** – Grid Reference: 465759 117661

***Resolved: To make the following comments to Winchester City Council Planning Department (acting on behalf of South Downs National Park Authority):-***

***1. The site map, submitted with the application does not accurately reflect the current size and location of the existing Agricultural building, which is adjacent to the proposed building and is of considerable size.***

***2. That the proposed building does not exceed the height of the neighbouring existing Agricultural building.***

***3. That South Downs National Park Authority has approved the colour of the proposed building and if this is the case, Hambleton Parish Council (HPC) requests that it blends in with the surrounding countryside better than the existing blue/grey barn.***

***4. In view of the above comments, it is suggested that the Planning Case Officer visits the site.***

The meeting closed at 09:10.
