

Update from Cllr Weston (WCC) for 01/02/21 PC Meeting

I was going to up-date you re the mayor awards and the info on this report verbally but please pass this on. Ignore the references to the WCC Local Plan but SDNP should be having talks with PC's.

Also, I have had residents contact me re the delivery of the garden waste Brown Bins so any concerns re their order please ask them to contact WCC call centre about this and any other waste issues, the number is 0300 3000013. Delivery can take up to four weeks, this is detailed in the T&C of the service. I

WCC have delivered around 7,000 bins to date and are ahead of the four week delivery time. I hope to make an appearance this evening.

Kind regards

Vicki
