Introduction

The following matters have been raised to draw items to the attention of Hambleton Parish Council (Hampshire). These matters came to the attention of BDO LLP during the audit of the annual return for the year ended 31 March 2014.

The audit of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

The matters listed below are explained in further detail on the page(s) that follow;

- Minor issues
- Asset Register

The following issue(s) have been raised to assist the council in improving its internal controls or working practices. The council is recommended to consider these but is under no statutory obligation to act upon them.

Asset Register

What is the issue?

The council's asset register is incomplete and does not contain some or all of the following information for each asset held;

- date acquired;
- purchase cost, and
- location held.

Why has this issue been raised?

The council is at risk of not safeguarding its assets.

What do we recommend you do?

The council must update its fixed asset register to include date acquired, purchase cost and location held of each asset held as soon as possible or in any event before the end of the current financial year.

An asset register should be in existence to help ensure that the recorded value of assets and investments is, as far as possible, accurate and to ensure the council is safeguarding its assets. The accuracy of such a register should be verified by the Internal Auditor in their annual review of the internal controls of the council.

The following issue(s) have been raised as there are minor errors on the annual return which we wish to draw to the attention of the council so they do not occur again in future years.

Minor issues

What is the issue?

The following issues have been raised as minor issues or omissions have been identified in the current year's Annual Return:

The Council have included grant monies received in box 2, rather than box 3, other receipts.

Why has this issue been raised?

This is to draw these minor errors to the attention of the council.

What do we recommend you do?

The council should ensure in future years that the above minor errors or omissions are not included in the Statement of Accounts.

Further guidance on this matter can be obtained from the following source(s):

No other matters came to our attention.
