

Join with St Peters and St Pauls in Hambledon and take on a quiz like no other on Saturday 14th November at 7.30pm. We are hosting Tearfund's quiz night on Zoom to fundraise for the charity's work in some of the [world's poorest countries](#).

'The annual Big Quiz Night is a great opportunity to bring people together and put your knowledge to the test,' says Tearfund's Global Fundraising Director, Jane Pleace. 'We are thankful that so many supporters continue to walk with us as we help some of the world's most disadvantaged people.'

Money raised will go to help change the lives of people living in poverty - like Alaya, her husband Bazwell and their three young children in Malawi. They rely on growing maize to survive, but the weather patterns that have guided their farming for generations have changed. And it's putting everyone at risk of sickness and starvation. Frequent flooding brings diseases like cholera and damages their home, washing away what little food they have. With Tearfund's partner, AG Care, Alaya and Bazwell are learning new ways of working the land under these tough conditions.
