

D-DAY CONVOY 22 JUNE 2019 along the A32

A note from the Royal British Legion:

We anticipate driving through Droxford between 9.45 am and 10.10 am 22 June, West Meon shortly thereafter and on to East Tisted and Farringdon for approximately 10.40 am.

Our lead support vehicle and a couple of motorcycle outriders will precede the convoy by approximately 5/10 minutes

There will be approximately 50 vehicles and 25 Royal British Legion outriders as well as support vehicles. Professional photographers will be travelling with us and if villagers wish to turn out on 22 June our film cameraman will take footage of this historic occasion with clips available free of charge a while after the 22 June

We have a General Eisenhower lookalike and Trafford Leigh Mallory lookalike in attendance

Communities along the route will be turning out not so much for us the participants but in remembrance of all those who perished during Operation Overlord, the purpose of the convoy
